- **OEM Factory Racing Stripe Colors ...** for a perfect color match
- **FREE Racing Stripe plotter cut files** with your first order

Applications

Stretchable & wrapable ... if you can wrap it, you can paint it with ACI PaintFilm

- **Automotive:** Perfect for complete repaints (wraps), two tone paint jobs, racing stripes, graphics, hard truck bed covers, hard dash & interior surfaces, speaker boxes, toolboxes and more. ACI PaintFilm is the perfect Paint Protection Film
- **Commercial / Retail / Consumer:** Countertops, signage, point-of-purchase displays, gas pumps, appliances, laptops / PC's / game consoles, desktop phones & more
- Apply to any clean, smooth painted surface. Surface must be free from rust & other damage. Do not apply over primer or recently repainted surfaces. Prep surface by wiping down thoroughly with rubbing alcohol
- Buff & Wax ... after application for a showroom finish
- Remarkably Durable ... perfect for exterior applications & high traffic / touch environments. Repair surface scratches with buffer
- Removable ... ACI PaintFilm removes cleanly for repaint / repair
